

**KITCHEN
GARDENS
MUNICIPALITY
OF PAMPLONA**

DESCRIPTION

Support vulnerable communities in the development of kitchen gardens that contribute to food self-sufficiency and economic development, promoting social and environmental responsibility that guarantee the permanence of users in the project and sustainable production.

- Generation of income for families as financial support for their needs.
- Improvement of food safety through the production of organic food for consumption and sale.
- Benefit in diet and reduction of the risk of contracting diseases, thanks to the greater intake and productive diversity.
- Positive contribution to the environment through waste recycling, soil protection against erosion and biodiversity.
